

# Working across borders in Thermoplastic Composites & Digitalisation

## *An ITA Innovation Day & Interreg AACOMA Roadshow*

**When?** 20<sup>th</sup> September 2022 from 10 am to 17 pm  
**Where?** At the ITA Institute for Textile Technology of RWTH Aachen University (Seminarraum), Otto-Blumenthal-Straße 1, 52074 Aachen, Germany

9.30 h Registration of participants

10.00 h **Welcome & Introduction of ITA & AACOMA, Objective of the day**  
By Dr. Michael Effing (CEO of AMAC GmbH, Senior Advisor to ITA, Project Manager at AACOMA)

### Keynote Presentations

10.20 h **Custom-made KyronTEX® thermoplastic composites for automated mass production in E-mobility, sport and consumer markets**

by Michael Versteegen, Mitsubishi Advanced Materials (MCAM)

10.40 h **Automation and digitalisation in composites manufacturing**  
by Magnus Olofsson, Airborne

11.00 h **Innovation Session – Elevator speech – Speed Dating**

Hybrid Yarns – Centexbel

Composite Repair – Flanders Make

Robotics & Cobotics in Composites Manufacturing – University of Liège

Composite chassis with electric drives – Ecurie AIX of RWTH Aachen University

How to build competitive carbon fiber wings in a different way  
– ADDI of RWTH Aachen University

12.00 h **ITA Reinforced Network and Joint Partner Projects**

By Dr. Christoph Greb (ITA of RWTH Aachen University) and Dr. Michael Effing (AMAC)
